

DIAPIRO ROBLE 4 months

Diapiro is a result of the goodwill of the people of Pinoso, where all the winemaking traditions of the town come together. The fusion of old Monastrell vines from the side of the Cabezo de la Sal mountain, which produce very few grapes, the fresh fruit of the Tempranillo and the concentration of Merlot from our area, make a fully balanced wine that transmits an infinite variety of sensations. A rigorous selection of our hand harvested best grapes, fermented in stainless steel vats at 24°C give shape to this exceptional wine. Throughout the cold winter, the wine rests in concrete tanks that are almost a century old, where they take shape and mature. A short ageing process of 4 months in new French oak barrels giving it a toasted cocoa taste, is the culmination of a luxury composition. A complex, elegant wine in memory of the winemakers from whom we inherited our passion for our land.
